- 1) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show a method of threading a web tail that includes diverting the tail to and aligning the tail with a rope nip using a threading arm assembly, said threading arm assembly including a frame and a diverter carried by and movable relative to said frame (claim 21); a method of threading a web tail that includes diverting the tail in the direction of a rope nip by pivoting a diverter of a threading arm assembly, said diverter having a pivot arm pivotally coupled with and carried by a frame (claim 23).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

- 2) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone number is 571-272-1190.
